

NEW POSITION AVAILABLE WITH THE DORENFEST GROUP

JOB TITLE: CONSULTANT INTERN

WORK LOCATION: BEIJING, SHANGHAI

COMPANY INTRODUCTION

The Dorenfest Group, a Chicago-based healthcare investing and consulting company, and its predecessor corporations have provided leading edge improvement services to Hospitals and Health Bureaus in many countries around the world. Its founder, Mr. Sheldon I. Dorenfest, has managed a series of very successful healthcare improvement businesses. He is one of the world's foremost experts in healthcare systems improvement, and has personally consulted with the governments of the U.S.A., France, England, Australia, and Canada, on a variety of healthcare issues.

The Dorenfest Group made a thorough investigation of the China healthcare system in 2004 and 2005, including visiting 17 Chinese cities to meet provincial and city health bureau leaders, seeing over 100 hospitals, and evaluating a group of hospital management and ownership opportunities. In 2006, the Dorenfest Group developed a two-phase strategy for creating a business in the China healthcare industry. In Phase 1, we are offering consulting education and training services in change management and health information technology use. After gaining experience in doing business in China, we will start our Phase 2 efforts to invest in major healthcare projects. We are now in Phase 1, which began in 2006 with the formation of the Dorenfest China Healthcare Group, a WOFE offering consulting services to Chinese hospitals and health bureaus.

Over the last four years, we have made substantial progress in helping Chinese hospitals and health bureaus with their process improvement, change management IT planning and implementation. Examples of major clients include the following organizations:

HOSPITALS

- **Peking University Third Hospital**, Beijing, China
- **Foshan City First People's Hospital**, Foshan City, Guangdong, China
- **Shanghai Changning Maternity and Infant Health Institute**, Shanghai, China
- **Rizhao Peoples Hospital**, Rizhao City, Shandong, China

HEALTH BUREAUS

- **Shenzhen Health Bureau**, Shenzhen, China
- **Chongqing Health Bureau**, Chongqing, China
- **Hong Kong Hospital Authority**, Hong Kong, China

COMPANIES

- **Microsoft China**, Beijing, China

- **Philips Healthcare China**, Shanghai, China
- **Sincere Pharmaceuticals**, Nanjing, China

Our work with these clients has been comprehensive and extensive, and we have usually performed multiple projects for them. In addition to the clients listed, we have worked with about a dozen other organizations in China. Our services are very much appreciated by all of the clients we serve. This has been and will be a critical element of our strategy for building our business in China.

The services we provide are unique, and the market for these services is in the early stages of its development. We are now in the process of building our staff to take advantage of the opportunity before us. As the market develops and grows, we are and will be the leader.

Our current growth has created the need for several positions. We think we offer a unique opportunity for applicants to help China reform its healthcare system, while building a very successful career and developing new skills. We encourage talented people who share our vision to respond to our need and apply for a position to join our company.
